

Certificate in Child Protection – Level 5

Talent Eye Training Institute (TETI) – Safeguarding Children, Building Safer Futures

Philosophy of the Program

The **Certificate in Child Protection** is a **Competency-Based TVET program** designed to equip learners with the skills and knowledge needed to safeguard and promote the welfare of children. The program emphasizes **rights-based, child-centered, and culturally responsive approaches** to child care and protection.

Graduates will be empowered to **prevent abuse, respond to child protection concerns, and advocate for children's rights** in schools, communities, and organizations.

Goal of the Program

- To develop **competent child protection practitioners** grounded in ethics and child rights.
 - To strengthen **community-based safeguarding systems**.
 - To prepare graduates to **identify, prevent, and respond** to risks of child abuse, neglect, exploitation, and trafficking.
 - To contribute to **safe environments** where children can thrive.
-

Expected Learning Outcomes

Knowledge

- Principles of **Child Rights and Protection**

- **National and international child protection policies** (UNCRC, African Charter, Kenyan Law)
- **Forms of child abuse:** physical, emotional, sexual, neglect, exploitation
