

Diploma in Counsellor Supervision – Level 6

(Talent Eye Training Institute – Empowering Dreams, Igniting Potential)

Philosophy of the Program

The **Diploma in Counsellor Supervision** is a **Competency-Based TVET program** offered at **Talent Eye Training Institute (TETI)**.

It is designed to **train professional counsellor supervisors** who can guide, support, and evaluate counsellors in practice. The program emphasizes **ethical supervision, reflective practice, leadership, and advanced therapeutic oversight** to ensure quality counselling services in Kenya and beyond.

Goal of the Program

The program aims to:

- Equip learners with **knowledge and techniques** in counselling supervision
 - Develop **leadership and mentoring capacity** in professional counselling
 - Enhance the **quality and accountability** of counselling services
 - Promote **ethical practice and continuous professional growth**
 - Prepare graduates to serve in **educational, healthcare, community, and organizational settings**
-

Expected Learning Outcomes

Knowledge

- Understand the **theories, models, and frameworks** of counselling supervision
- Learn **ethical, legal, and cultural considerations** in supervision practice
- Explore **clinical case management and evaluation techniques**
- Study **professional boundaries, confidentiality, and accountability** in supervisory work
- Gain knowledge in **training, mentoring, and evaluating counsellors**

Skills

- Apply **supervision models** in individual, group, and organizational settings
- Use **reflective and evaluative tools** to monitor counsellor performance
- Manage **challenging supervisee dynamics** and provide constructive feedback
- Facilitate **professional development workshops** for counsellors
- Apply **research skills** in supervision and counselling practice

Competences

- Lead and guide **counsellors-in-training and practicing counsellors**
- Demonstrate **ethical decision-making** in supervisory roles
- Design and implement **counsellor supervision programs**
- Contribute to **policy and professional standards** in the counselling field
- Engage in **research and advocacy** for supervision best practices

Assessment Procedures

- **Internal Assessment** → Assignments, case studies, role-plays, and presentations
- **External Assessment** → Supervised and moderated by **TVET CDACC**
- Learners will compile a **portfolio of evidence** showcasing professional competencies
