

Diploma in Marriage and Family Therapy – Level 6

(Talent Eye Training Institute – Empowering Dreams, Igniting Potential)

Philosophy of the Program

The **Diploma in Marriage and Family Therapy** is a **Competency-Based TVET** program offered at **Talent Eye Training Institute (TETI)**.

It prepares learners with the **knowledge, skills, and values** to provide professional therapy services for **couples, families, and groups**, while addressing **relationship challenges, conflict, trauma, and family dynamics** within the African context.

Goal of the Program

The program aims to:

- Train professionals who can **strengthen families and relationships**
 - Equip learners with **therapeutic skills for couples and family systems**
 - Promote **healthy communication, conflict resolution, and family resilience**
 - Develop practitioners who can contribute to **mental health and social wellbeing**
-

Expected Learning Outcomes

Knowledge

- Understand **family systems theory** and relationship dynamics

- Learn **psychological, cultural, and spiritual dimensions** of marriage and family life
- Explore the impact of **trauma, addiction, and crises** on family functioning
- Gain knowledge in **parenting, child development, and intergenerational patterns**
- Study **ethics and professional standards** in family therapy

✂ Skills

- Apply **counselling and therapy techniques** in couples and family settings
- Conduct **family assessments, diagnosis, and intervention planning**
- Facilitate **group therapy and mediation sessions**
- Manage **crisis and conflict situations** within families
- Develop **preventive and educational programs** for family wellbeing

🎓 Competences

- Provide **effective marriage and family therapy** in diverse contexts
 - Work collaboratively with **schools, community organizations, and health facilities**
 - Engage in **research and advocacy** for family and marriage stability
 - Contribute to **policy and social programs** that strengthen family systems
-

Assessment Procedures

- **Internal Assessment** → Continuous assessments, projects, and presentations
 - **External Assessment** → Supervised by **TVET CDACC**
 - Learners will maintain a **portfolio of evidence** as part of evaluation
